Dear Parents,

The Frewsburg Administrative Team had been planning parent presentations regarding the 2021-2022 school year to occur directly after the release of anticipated New York State Department of Health guidance. However, as we have come to expect in this uncertain time, guidance did not occur. We are currently waiting to see how this unfolds.

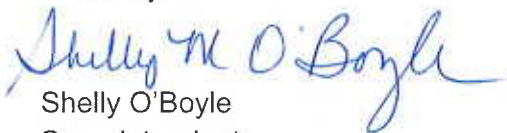

Presently, we are planning a model similar to how we ended the school year. We are closely watching health trends in our community, as well as waiting for any direct guidance from the local health department in order to provide a safe learning environment for our students and adults. We are fortunate that we have an effective in-person model that can be modified to meet any guidelines that the district must follow.

Here are some important points that the district is able to communicate with you:

- 1) We are anticipating the return of *all* of our students in-person.
- 2) Students returning to in-person instruction that require busing should contact transportation at 716-569-7035.
- 3) The start and end times for both buildings will be as follows:
 - a) RHJ- 8:50 a.m. to 3:20 p.m.
 - b) MS/HS- 7:30 a.m. to 2:20 p.m.

Once again, thank you for your patience. Stay safe and enjoy the remaining summer!

Sincerely,

Shelly O'Boyle
Superintendent
