

**Frewsburg Central School District**  
**Process for Determining Shared Sports**

The need is identified and reported to the Coach, Athletic Director, Building Principal, and Superintendent

Data is collected on student participation for the past 3 years. Data collection may include, but is not limited to:

- Projected number of players at the conclusion of the current season for the following season
- Number of student athletes participating in off-season workouts
- Number of athletes participating in athletic "camps"
- Nurse's list of students who have updated physicals
- Student Athletes that are on the academic probation list

Student Sign-ups are held immediately after the need for a possible shared team is identified

Parent meeting is held to discuss possibility of a shared sport

The Athletic Director and Superintendent meet with representatives from other district(s) where the possibility of a shared sport may be considered. Discussions at the meeting may include, but is not limited to:

- Coaching Staff
- Number of Games held in each district
- Uniforms
- Practice Schedule
- Transportation for practices and games

If agreed upon, the recommendation is brought to BOE for a vote

Application is submitted to Section VI by the deadline for their consideration and action

Notification of the decision is posted via district media tools – the district website, Facebook, and Twitter
