NOW, THEREFORE, BE IT RESOLVED, by the Board (by the favorable vote of not less than two-thirds of all the members of the Board) as follows:

SECTION 1. For the purpose of currently refunding the Prior Note (or other bond anticipation notes of the District to be issued in contemplation or replacement thereof), and generating moneys which shall be sufficient to pay (A) the principal amount of the Prior Note (or such other notes), (B) the costs and expenses incidental to the issuance of the School District Bonds herein authorized and the Authority Bonds which they support, including, but not limited to, the District's proportionate share of the fees and costs of the Authority incurred in connection with the issuance of the Authority Bonds (including, without limitation, the compensation payable to the underwriter of the Authority Bonds), (C) the fees and costs of the financial advisory and bond counsel firms retained by the District in connection with the issuance of the School District Bonds, and (D) all other fees and costs of issuance associated with the issuance of the Authority Bonds and the School District Bonds, there are hereby specifically authorized to be issued by the District the School District Bonds, as contemplated by the Financing Agreement, in an aggregate principal amount not to exceed \$10,000,000, with the precise final amount to be determined by the President of the Board (acting on the advice of the District's financial advisory firm) and included in the Financing Agreement. The Bonds shall be dated on or about June 8, 2017, shall be of the denomination of \$5,000 or any integral multiple thereof not exceeding the principal amount of each respective maturity (unless a bond of odd denomination is required), and shall mature and shall bear interest on such dates as are set forth in a Notice of Terms that is to be delivered by the Authority to the District, a form of which is attached as Exhibit I to the Financing Agreement (the "Notice of Terms").

SECTION 2. The School District Bonds shall be executed in the name of the District by the manual or facsimile signature of the President of the Board, and a facsimile of the District's seal shall be imprinted thereon and attested by the District Clerk. The School District Bonds shall contain the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, as the President of the Board shall determine.

SECTION 3. A Financial Plan showing the estimated details of the proposed issuance of the Authority Bonds and the School District Bonds will be prepared by the underwriter retained by the Authority (the "Financial Plan"). The Financial Plan will show the estimated sources, amounts and uses of all funds required to accomplish such transaction. The Financial Plan will be prepared based upon the assumption that the School District Bonds will be issued in the aggregate principal amount of not more than \$10,000,000 and that the School District Bonds will be issued in such amount, will mature, will be of such terms, and will bear interest as set forth in the final Notice of Terms that is to be approved by the President of the Board in accordance with this transaction. The President of the Board is hereby authorized and directed to determine (or adjust) the amount of the Prior Note (or any replacement notes) to be refunded, the amount of the School District Bonds to be issued, the date of such School District Bonds and the date of issue, maturities and terms thereof, the provisions relating to any redemption of the School District Bonds prior to maturity, whether the School District Bonds will be insured by a policy or policies of municipal bond insurance or otherwise enhanced by a credit enhancement facility or facilities, the terms of the private sale of the Bonds to the Authority, including the form, terms and conditions of the Financing Agreement providing for the sale of the School District Bonds, and all powers in connection therewith are hereby delegated to the President of the Board; provided, that the terms of the School District Bonds to be issued, including the rate or rates of interest borne thereby, shall comply with the requirements of any applicable law. The President of the Board shall file a copy of the certificate determining the final details of the School District Bonds and the final Financial Plan with the District Clerk not later than ten (10) days after the delivery of the Bonds, as herein provided.

SECTION 4. The President of the Board is hereby delegated all powers of this Board with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for the School District Bonds, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

SECTION 5. The faith and credit of the District are hereby irrevocably pledged for the payment of the principal of and interest on the School District Bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on the School District Bonds becoming due and payable in such year. There shall annually be levied on all the taxable real property of the District a tax sufficient to pay the principal of and interest on the School District Bonds as the same become due and payable.

SECTION 6. The Board hereby approves and directs execution and delivery (by the President of the Board, acting on behalf of the District) of the Financing Agreement, the School District Bonds, the Letter of Representation, the Continuing Disclosure Agreement, the Arbitrage and Use of Proceeds Certificate (all as defined in the Financing Agreement) and any and all other agreements, certificates or other documents contemplated by the Financing Agreement (collectively, the "Agreements") in order to provide for the permanent financing of all or a portion of the Prior Note (or any notes issued in contemplation or replacement thereof) as may be required by the Authority. The President of the Board is authorized and directed to execute such other documents, and take such other actions, as are necessary or appropriate to refinance all or a portion of the Prior Note (or any notes issued in contemplation or replacement thereof) through the Authority and to perform the District's obligations under the Agreements (if applicable). The President's execution and delivery of any such documents prior to the date hereof is hereby ratified, approved and adopted.

SECTION 7. The President of the Board is further authorized to take such actions and execute such documents as may be necessary to ensure (if applicable) the continued status of the interest on the School District Bonds as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") and (if applicable) to designate the School District Bonds authorized by this resolution as "qualified tax-exempt obligations" in accordance with Section 265 of the Code.

SECTION 8. In the absence or unavailability of the President of the Board, the Vice President of the Board is hereby specifically authorized to exercise the powers delegated to the President of the Board in this resolution.

SECTION 9. The District hereby determines that the issuance of the School District Bonds is a Type II action that will not have a significant effect on the environment and, therefore, no other determination or procedures under the State Environmental Quality Review Act ("SEQR") is required.

SECTION 10. The President of the Board and the District Clerk are hereby authorized and directed for and on behalf of the District to execute and deliver all certificates and other documents, perform all acts and do all things required or contemplated to be executed, performed or done by this resolution or any document or agreement approved or contemplated hereby, including, but not limited to, the Financing Agreement, the other Agreements, and all documents defined therein or contemplated thereby.

SECTION 11. All other matters pertaining to the terms and issuance of the School District Bonds shall be determined by the President of the Board and all powers in connection therewith are hereby delegated to the President of the Board.

SECTION 12. Except to the extent modified by this resolution, the Bond Resolution is hereby confirmed and ratified in all respects.

SECTION 13. This resolution shall take effect immediately upon its adoption.
